

Are You Ready for a DOT Audit of Your Drug & Alcohol Testing Program?

- Do you have a copy of your drug & alcohol testing program policy along with the DOT and Operating Administration regulations?
- Are you sending new employees in for a drug test prior to their employment in a safety-sensitive position?
- Are you providing the required Supervisor Training to your supervisors and educational materials to your employees?
- Are you providing updated lists of employees to your random testing coordinator?
- Upon notification of a randomly selected employee, are you sending them on time for testing?
- Do you remove any employee who tests positive or refuses to test from his/her safety-sensitive position?
- Are you referring employees who violate the policy (with a positive or refusal to test) to a Substance Abuse Professional?
